PARTNERS IN GLOBAL HEALTHCARE 12 February 2014

Hon'ble Shri Anand Sharma ji,
Minister of Commerce & Industry,
Ministry of Commerce & Industry,
Government of India,
Udyog Bhavan, New Delhi

Respected Sir,

We thank you for your guidance and support in all procedural and policy matters concerning pharmaceutical trade, especially Exports.

The Indian Pharma Industry, with your proactive initiatives, has managed to continue its exports to all developed and developing countries to be rightly heralded as the 'Pharmacy of the World'. India continues to hold the largest number of ANDA approvals in USA and a sizable number of our manufacturing units engaged in exports are US FDA approved.

We have listed a few key issues relating to US FDA procedures and approvals that are a cause of concern for our Members, which need to be urgently resolved. We have forwarded the list to the Drugs Controller General of India for his discussions with the visiting US FDA Commissioner.

We request your urgent indulgence and support in conveying our genuine concerns to the US FDA.

Thanking you,

Yours sincerely,

S V Veerramani
President
