We very much appreciate your keen understanding of the issues of the pharmaceutical industry in our State. Your support in sympathetically considering our views discussed at the meeting and your sincere enthusiasm in reviving the Pharmaceutical Industry in Maharashtra is also very much appreciated.

The addition of the list of products covered by the State FDA will simplify the  
regulatory requirements of having to seek certifications for each drug being  
manufactured in the unit separately.

We look forward to your support in resolving regulatory and other issues, and our  
continued interaction in leading the revival of the Pharma industry in Maharashtra  
to its former glory.

Thanking you,

Yours faithfully,
