INDIAN PHARMACEUTICALS FOR GLOBAL HEALTH

The Additional Secretary to the Government of India,
Department of Revenue,
Ministry of Finance,
North Block,
New Delhi

Kind Attn.: Mrs. Rashmi Verma, Additional Secretary

Dear Madam,

Further to our submission of clarifications and suggestions with regards to the CPS tender on June 19th, 2015 we request your consideration of the following key issues:

- 1) The CPS tender has come out after 4 years and it is pertinent that major MNCs who possess the technology for the same need to participate in the pre-bid conference. Hence, request that the same be held in mid-July, so that overseas interested bidders are given sufficient time to make travel arrangements.
- 2) The Industry associations - IDMA and OPPI are keen that the CPS tender is completed successfully and is a win-win situation for the Government and the licensee. However, certain conditions are not in line with the GOI philosophy of **"Make in India"** or **"Ease of doing business"** or the success of the project and we would appreciate if you could give an appointment to a delegation of the two Industry associations, prior to the pre-bid conference.

Requesting your favourable consideration.

With kindest regards,

S.V. Veerramani
President
