

**INDIAN DRUG  
MANUFACTURERS'  
ASSOCIATION**  
SINCE 1961

Dear Member,

**Sub. :** Postponement of our “**Symposium on Nasal and Pulmonary Drug Delivery**” till further notice.

We, IDMA, were extremely keen about this “**Symposium on Nasal and Pulmonary Drug Delivery**” scheduled on Thursday, 10th & Friday, 11th November 2022 at Hotel Sofitel, BKC, Mumbai as many eminent international dignitaries / speakers / sponsors as well as participants who had confirmed their presence for this symposium.

However, due to certain unavoidable circumstances few of our International Dignitaries including our Chief Guest / Keynote Speaker and our Sponsors are unable to attend the event due to personal reasons as well as visa issues, the IDMA Management has decided to postpone the symposium till further notice.

This is an appalling moment for all of us as our International Dignitaries are unable to secure visas to India and hence, our symposium is being postponed.

Please be rest assured that this **Symposium on Nasal and Pulmonary Drug Delivery** would be organized at a later date during 2023. We will ensure that you would receive the information at least 30-45 days prior to the new date.

The inconvenience caused to you is sincerely regretted.

We sincerely thank all our Dignitaries, speakers, invitees and participants for their support, co-operation and understanding during these tough and trying times.

Wishing you, your family and all at your esteemed organization a Happy and Prosperous New Year.

Thanks & regards,

Daara B Patel
