Advanced Program in Pharmaceutical Quality Management

(APPQM)

*Encompassing EU, ICH, WHO, US FDA requirements and
Industry Best Practices*

FIRST BATCH COMMENCES SEPTEMBER 2017

We, Indian Drug Manufacturers' Association (IDMA), proudly presents IDMA & NSF Health Sciences, UK International Education Program '**Advanced Program in Pharmaceutical Quality Management**' commencing from September 2017.

The Pre-Launch of the program at Bangalore, Hyderabad & Mumbai was a grand success wherein the Senior Members of our Pharma Industry were present. Our efforts have been acknowledged by Government of India and the program has received endorsement and support of the Regulatory Community, Government Officials, IDMA Executive Committee Members and Senior Industry Representatives. **We, IDMA & NSF, are grateful to all of you for your support and cooperation.**

The feedback of the program has been excellent with most participants agreeing that the very future of our industry depends on education of this quality and uniqueness. We, at IDMA, believe that this program will develop Change Agents for Quality Excellence and will make India the centre of excellence for pharmaceutical manufacture.

We are indeed happy to inform you that we have already received 20 confirmations for registration and the seats are filling fast. In view of the availability of limited seats of 40 delegates per batch you are requested to register immediately to be able to participate in the first batch starting tentatively from September 2017.
