Reviews & Rates

Pharma Live has enhanced our business multifold. The experience was unmatchable. Fabulous footfall including international buyers. Its a fantastic platform.

Narendar Kukhreja
Managing Director, Mascot Health Series Pvt Ltd.

An excellent platform to connect with the global pharma community. As a process machinery manufacturer serving Pharma and food industries, NPM was highly satisfied with visitor quality and organizer's facilities. We've already booked for the 2024 edition, wishing the organizer continued success.

Pranay Patel, Director, NPM Machinery Pvt Ltd

The highlight of the show was the presence of foreign delegates who attended on Suo Moto, which is generally rare in other events. Additionally, all our member companies will be part of the exhibition in the upcoming edition of Pharma Live Expo.

Sandeep Modi, Secretary, FPME

I am glad that we chose to showcase our products at Pharma Live Expo. If I were to rate this expo on a scale of 0 to 10, it would exceed 10.

Srijan Datta, Project Engineer, Roos Temp Kool

It was our first time, and it has been well worth it. The event consistently produced high-quality leads on each day, and the organisers provide excellent support. I'm excited about the upcoming edition of Pharma Live Expo.

Mahesh Prajapati, AGM
