# ABOUT IDMA

- ✓ Indian Drug Manufacturers' Association (IDMA) was formed in 1961.
- ✓ Successfully completed 58 glorious years of providing safe efficacious affordable quality medicines, not only to our people, but people all over the world.
- ✓ Membership of over 1000 wholly-Indian large, medium and small companies and State Boards (SB) in Gujarat, Himachal Pradesh & Uttaranchal, Haryana, Tamil Nadu, West Bengal, Madhya Pradesh, Telengana and Karnataka.
- ✓ The Indian Pharmaceuticals market increased at a CAGR of 17.46 percent during 2005-06 with the market increasing from US\$ 6 billion in 2005 to US\$ 38 billion in 2019 and is expected to expand at a CAGR of 22.49 per cent to US\$ 55 billion by 2020.
- ✓ Indian pharmaceutical industry supplies over 50% of global demand for various vaccines, 40% of generic demand in the US and 25% of all medicine in UK
- ✓ India's pharmaceutical exports stood at US\$ 17.27 billion in FY18 and reached US\$ 19.14 billion in FY19.
- ✓ The country accounts for around 30 per cent (by volume) and about 10 per cent (value) in the US\$ 70-80 billion US generics market.
- ✓ Members' Export Record – about 75% of India's total drugs & pharma exports.
- ✓ Indian pharma companies spend 8-11% of their total turnover on R&D.
- ✓ Rated the largest supplier country of generic drugs by UNICEF.
- ✓ India is the largest provider of generic drugs globally and supplies over 50 percent of global demand for various vaccines, 40 percent of generic demand in the US and 25 percent of all medicines in UK.
- ✓ India has the largest number of WHO Prequalified Finished Pharmaceutical Products Manufacturers under various medical verticals.
- ✓ Over 600 US FDA approved facilities (APIs and formulations, 3800+ DMFs filed, 372 ANDAs in FY2019, over 1300 CEPs from about 220 companies, 380+ molecules for which CEPs have been filed with EDQM, over 630 sites with EU GMP Compliance, about 1560 MHRA Market Authorisations, over 2000 WHO GMP Certified Plants and many more certified by regulatory authorities of Australia, South Africa, Ireland, Sweden etc.
- ✓ MoUs signed with China Pharmaceutical Industry Association (CPIA), Korea Pharmaceutical Industry Association (KPMA), DuBiotech, Association of Biotechnology Led Enterprises (ABLE), Toyoma Pharmaceutical Association (TPA) and National Chamber of Pharmaceutical Manufacturers of Sri Lanka (NCPM) etc.,
- ✓ The Indian Pharmaceutical Industry provides employment to about 4.2 million personnel, directly and indirectly in manufacturing and ancillary sectors.

- ✓ IDMA has been successfully organizing Pharmaceutical Analysts Convention (PAC) for over two decades with active participation of the Regulatory Authorities, both Central and States – also organizes other Seminars, Training Programs regularly.
- ✓ IDMA in collaboration with NSF UK offers international education programme – Advanced Programme in Pharmaceutical Quality Management (APPQM).
